HITO STEYERL: FACTORY OF THE SUN

In Hito Steyerl's *Factory of the Sun*, the video tells a story of workers who are forced to dance to produce artificial sunshine.

Follow the actions to try the dance yourself!

DID YOU KNOW?

The video includes a montage of YouTube dance videos, drone surveillance footage, video games, fake news, and documentation of real events.

With the constant exchange of images and information (or misinformation) in our world today, can we tell what is real?
